**Senior Artist Requirements:**

*Transitional Candidate:* This candidate must be able to do hair and makeup (no exceptions), have served on the team for at least one year, and his or her skills and kit must be assessed by a Crown Makeovers rep and approved.

*Incoming Candidate:* In the event a new artist joins the team with the requisite abilities or is a Licensed Master Cosmetologist, his or her skill level and kit will be assessed by a rep. If the candidate's skill level needs improvement, the candidate will serve 3 months on the team as a junior artist before a new

assessment can be completed. If the candidate's skills are adequate they will join the team as a lead artist.

**Senior Artist Responsibilities:**

A senior artist must be available at each event. The senior artist must have the service order for each artist present and collect any miscellaneous fees (lashes, etc) and pay each artist accordingly. Lead artist will also collect tip and then divide and share among artists who have opted to tip share.

Tips: Each individual artist can decide to opt out of tip sharing but must declare that prior to the event.
